

TRAFFIC CONTROL PERSON

Various Locations, Vancouver Island

VIP Powerline Ltd (VIP) is looking for experienced, highly-dependable Traffic Control Person(s) who are excited to be part of our growing Traffic Control Division.

The successful candidate will play an important role in our growing workforce. At every point of contact we strive to be reliable, friendly and supportive. We believe in working collaboratively with our customers; continuously striving towards excellence in the customer service experience and delivery. By demonstrating our commitment, we will build trust, loyalty and partnerships.

This role requires a highly organized, accurate, and resourceful professional who anticipates needs, and thrives in delivering superior support in a complex, fast-paced and unstructured environment.

Required Skills

- Effective team player and leader,
- Strong work ethic and positive team attitude,
- Strong oral and written communication skills,
- Unwavering commitment to ethical behaviour and conduct,
- Excellent time management and organization,
- Knowledge and experience of ISO quality and environmental management systems, and
- Knowledge and experience of COR certification, OH&S Regulation and WorkSafeBC.

Experience & Qualifications

- Traffic Control Person certification,
- 1+ years' experience in traffic control,
- Valid Class 3 BC driver's license for manual transmission with air endorsement,
- English 12, Math 11 and Physics 11,
- Power System Safety Protection (PSSP) Cat 2, 3, and
- Post-secondary education an asset.

Hours of Work

Our regular hours of operation are 8:00 - 4:00 Monday to Friday with a normal work week consisting of 37.5 hours.

We offer VIP "Super Stats" and Christmas break office closure to all employees.

F: 250 475 3393

Remuneration

VIP offers a competitive and comprehensive compensation and benefits package. Remuneration will be based on the IBEW 258 Traffic Control Person wage rate.

“ONE TEAM” PHILOSOPHY

VIP's Team collaborates and co-creates across typical boundaries, organizational hierarchy and backgrounds to ensure we are able to adapt, grow and succeed together as an organization. Working towards a mutually valued outcome will result in innovative solutions and an environment more flexible and adaptable to change.

We train, empower and motivate Our Team to create alignment in a performance-based culture. Prioritizing Our Team fosters a culture where employees feel valued, take pride in their work and organizational norms are established that epitomize excellence in safety, customer service and quality.

One Team is a corporate culture based on:

- Trust,
- Clear objectives,
- Communication, and
- Collaboration.
