Hotel Project – Update – July 312019

As we last reported, we reached out to the hotel industry to see who from the hotel management side might have an interest in this market, to our delight we received two interested parties, **Holiday Inn Express** and **Marriot Hotels**.

Representatives of both hotels attended Chief and Council sessions, Holiday on July 8, 2019 and more recently, we interviewed Marriot on July 25, 2019.

We will continue with our due diligence on what has been presented to us to date, we expect that a decision on which hotel chain will be the best fit will be made early in September 2019.

Going forward, we can anticipate our next community meeting on the hotel project to be early September, notice will be provided once we have a confirmed date for the next community meeting.
