Campground Rules

1. Campfires must be contained low in the designated fire pits, away from trees . clean wood only (no nails, paint, pressure treated, or beachwood). The campground reserves the right to ban fires due to environmental conditions, inappropriate burning material, or any other condition the campground deems unsafe.(beach wood is not to be removed as it is HABITAT, and a soft BARRIER to shoreline erosion). Please Extinguish campfires before leaving site unattended.
2. No cutting of trees, fallen or standing, including beach wood. No attaching tarps to trees with nails, screws, and any other attachment devices that will interfere with the natural growth. Please remove all ropes and bungee cords from trees before check-out.
3. Recycling and Garbage cans and bags, are offered free of charge in agreement that they will be emptied in appropriate Bins at the designated recycle and waste bin locations through-out the campground, before checking out of campsite.
4. It is not acceptable to drain any holding tanks on campground property, except at designated SANI-STATION. Use of SANI-STATION by registered guests only. Fee of \$5.00 charged ,key at office.

5. No foreign objects to be flushed down toilets (ei, paper towels, sanitary napkins etc), as this will result in the closure of washroom facilities for an extended period of time.
6. All PETS must be on leash at all times. Pet owners are responsible for cleaning up after their pets. Campground staff reserve the right to require owners to remove any pet from the campground which is considered a nuisance (excessive barking, running loose, aggressive behavior etc). Do not wash pets in shower facilities.
7. Speed Limit in campground is 10km's or slower.
8. 1 picnic table provided for each campsite and not to be removed from there sites.
9. Zero tolerance for the disrespect of the campground property, buildings and staff will result in immediate vacating of the property.
10. Please be prepared for your camping adventure as the campground does not supply, extension cords, water hoses and electrical adapters.

***Due to inherent risks involved in the natural coastal terrain of British Columbia, campers assume all risks of personal injury, property loss, or death, from any cause what so ever associated with natural or manmade features of the campground.
