**I-HOS**  
GALLERY  
**BURSARY FUND**

I-Hos is always exploring how we can best support Indigenous artists.

Our main avenue is purchasing work directly from artists whenever possible.

We are also learning that we can play an exciting role in our artists building their capacity.

Our team created the bursary to support artists in their professional development; to assist in acquiring new skills or tools that will strengthen their practice.

- Applications will be accepted in 2026 with deadlines on Jan. 30, May 30, and Sept. 30.
- Each award is currently a maximum of \$1000.
- The number of awards - and amounts granted - are determined at each cycle based on available funds, and suitability of applications.
- The Bursary prioritizes K'omoks members, but we welcome all Indigenous applicants in the region.

The Bursary depends on donor support.  
Thank you for helping us  
support our artists!

Those who apply by May 30<sup>th</sup> will be considered for the first two bursaries which will be given out on Indigenous Peoples Day 2026.
