

	JOB POSTING	
	We Wai Kai Healing Society Nurse (RN) Reports to: Clinical Director	

Who We Are

We, the We Wai Kai, embrace our language and culture to build a proud, healthy, safe, and self-sufficient community. We support and encourage each other to thrive through following the footsteps of our ancestral history, as stewards of our lands and waters, while balancing our role in modern day society.

The Tsakwá'lutan Healing Centre represents a vision for addiction recovery with the goal of restoring lives and families and empowering communities. Our approach is to destigmatize addiction as an individual issue and to engage, educate, and empower individuals, families, and communities in the recovery process. We do this by bringing the best of western medicine together with our traditional healing practices and values.

Position Overview

Reporting to the Clinical Director is required to prioritize and respond to the needs of the daily operations of We Wai Kai Healing Society in a professional and calm manner.

Responsibilities and Duties

The below list is a guideline and may not be inclusive of all that is expected on a day-to-day basis.

- Delivering client care according to the British Columbia College of Nurses in an inter-professional shared care case management model
- Reporting to the Medical Director providing ongoing client care utilizing the nursing process of assessment, planning, implementation and evaluation
- Formulating and implementing client care plans
- Safely implementing physician's orders
- Administering medications to clients
- Maintaining current progress records on clients according to legal and ethical standards
