**To: Members waiting for distribution cheques in the mail.**

Hello We Wai Kai Nation Band Members,

We understand your frustration with the delay in receiving your distribution cheque in the mail, and we are sorry that it has taken this long.

Unfortunately, this is out of our control as all cheques that were not picked up in person were sent in the mail at the end of the day on December 11, 2020. We understand that Canada Post is behind due to the worldwide pandemic as well as with all the holiday parcels.

We truly hope that you can have some patience; you will receive your cheque. The accounting department worked very hard to process over 1,000 cheques, and any cheques remaining were mailed to addresses we had on file or addresses that had recently been updated.

For future, please ensure to always update the Administration with your address.

Thank you for your patience and understanding,
