

Election & Citizenship Ref. 2021

January 5, 2021

IMPORTANT NOTICE FOR USA MEMBERS

Please note: USA Members will need to purchase USA stamps and affix to the mail in ballot/ citizenship referendum ballot packages for returning to the Electoral Officer.

The postage stamps provided on the envelopes will not work for mailing from the USA (just communicated to me by the post-office).

I sincerely apologize for any inconvenience this has/ will cause.

If you have already mailed your package using the provided stamp, please contact the Electoral Officer ASAP, as alternate arrangement may need to be made to ensure we receive your ballots in time (such as using express post or courier to re-send ballots)

REMINDERS

If you have already requested ballots, and if you have not received by January 13th, please contact the EO promptly.
